Off Newquay. The rugged and rocky scenery of Cornwall reaches its perfection on the north coast. The neighbourhood of the popular holiday resort of Newquay is particularly rich in picturesque cliffs and frowning headlands, against which the long rollers sweep with the full force of their uninterrupted journey across the Atlantic. To view a "rough" sea from these eminences on a stormy day is an awesome and inspiring experience.

Expect 3 or 4
pleasant or change
in weather. Shall
see you back soon
now. Love L. & E.
